

**Your benefits:**

- Same dimensions as incandescent lamps for simple direct replacement
- Just as bright at 5W as an ordinary 25W light bulb
- Suitable for all domestic and commercial applications
- Highly economical yet ideal for decorative purposes and where the lamp is visible in the luminaire
- Available in bulb form with an E27 screw base and in candle form with an E14 screw base
- Long average life of 10,000 hours\*
- Can be switched on and off up to 10,000 times

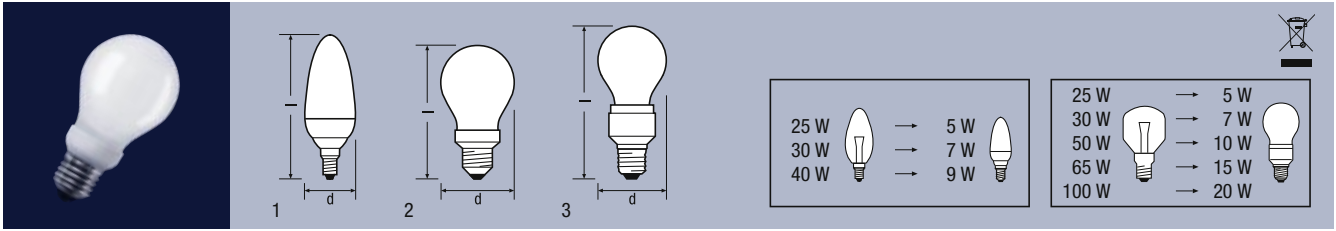

\* approx. 10 years at around 2.7 hours a day, switching cycle 60 min on, 15 min off

# OSRAM DULUX® EL CLASSIC Energy-saving lamps

What is the big difference compared with an ordinary light bulb? The electricity bill.
